Sponsorship

Sponsoring a CHAPCA conference event is your opportunity to develop a strong relationship with your customers. You'll be able to showcase your product or service to a range of key decision makers within the hospice industry. CHAPCA continues to offer unparalleled sponsorship opportunities, and we want you to be a part of this year's newly re-tooled conference!

Whether you choose to sponsor a keynote speaker, the exhibit hall's grand opening or the room keys, we look forward to partnering with you. CHAPCA is a cost effective way to create visibility for your company while demonstrating your support for the hospice industry.
