

HELP US KEEP YOU INFORMED!!

CHAPCA wants to keep your key staff and board members informed on urgent issues like regulatory or legislative updates, plus provide our weekly *Quick Link*, notices on upcoming educational programs, and other important information that we need to get out in a timely fashion. You can help by making sure we have the name, title and e-mail address of your key staff members, including your Administrator, Director of Patient Care Services, Bereavement and/or Volunteer Services Coordinator, Medial Director, Quality Assurance Coordinator, etc.! If you have additional board members or other key staff who can assist with legislative letter writing campaigns, please list them as well so they can be kept informed on those issues (*check the Leg Only box if that's the **ONLY** information you want them to get*).
